Hi Bobbie,

I know you are meeting with community leaders and department heads and I thought I'd suggest you reach out to Jill Calvert. She is the new DHS Director, although she is not new to Mesa County. Her email is Jill.Calvert@MesaCounty.us No rush... but DHS is the largest county department both in size and budget. Although at one time the Sheriff's office was larger, it wasn't supervised by the commissioners. But as of now, DHS has more FTEs and a larger budget... so it's an important one to understand.

Take care,

Janet

Thank you, Janet, I will reach out to her. I've really enjoyed my limited interaction with Jill. Everyone speaks very highly of her.
