Hi, Commissioner. It saddens me that you are termed. You have been a friend and tremendous leader all these years. Thank you. I assume you endorsed Bobbie Daniel. Thought I would check as I'd like to contribute and have a client or two do so as well. I'll be up for Club 20 and am hoping to see you at the Steak Fry and around. Please let me know about Bobbie. Maybe you could do an email introduction?

Best Wishes.
Chrissy

Bobby will be excellent, she really does not have a serious challenge and when combined with her tenacity in campaigning she will have a strong victory. Safe seat.

Great news! I figured but had to check. I'm going to call her and introduce myself. Hope it's ok to "namedrop" you. Excited to meet and work with her. You know I'll still try to drag into my stuff!

Best.
