Lisa Mills	2022-09-02 10:32:41	Outgoing		<p>I just got off the phone with Denise and she is not going to apply for the GVC position. She really believes she should stay where she is at least for the time being. She's very involved in the juvenile justice system reform, and I'm glad to have her focused on that. So we're back to square one.</p> <p>I let Jeff know. And also Jill and asked her if she had any suggestions.</p> <p>Do you have any ideas?</p>
Lisa Mills	2022-09-02 10:34:28	Incoming	Lisa Mills	<p>None! I ask Diana if we could post it on Mesa County Social media. I think we could look at nurse case managers too...same skill set so maybe post something at the jail?</p>
Lisa Mills	2022-09-06 13:25:03	Outgoing		<p>I have not reached out to Shaylynn but I will. Is she the one who should be giving those updates rather than you? I just wasn't sure who was the best lead.</p>
Lisa Mills	2022-09-10 06:42:09	Outgoing		<p>Sorry to text you so early. I just don't trust Jeff...at all. i'm sick to my stomach that I have trusted him with so much over the last two years.</p> <p>I do have a few ideas about how to handle this. We can talk later at a more decent hour.</p>
Lisa Mills	2022-09-10 06:47:50	Incoming	Lisa Mills	<p>I guess I am also struggling with trusting and believing Jeff and Diana...if you only knew how much they talk about the "Commitment to Excellence" that each employee is required to sign and that I have had to hold over my GVC employees heads... clearly only works one way.</p> <p>Please know that I am committed to the work and this community...in whatever capacity that is.</p> <p>I look forward to your ideas.</p>

Lisa Mills	2022-09-10 06:50:37	Outgoing		I know you are committed. You are the only reason we've gotten as far as we have. I was overwhelmed just putting together the action plan over the course of a year, and you have executed it in six months. You ARE the hub.

Lisa Mills	2022-09-12 08:29:01	Incoming	Lisa Mills	Diana's text to me this morning.... Lisa, I just got a message from Jeff regarding your meeting with CJSJ on Friday. I guess you are moving on the 19th? I may pause the GVC supervisor interviews.
Lisa Mills	2022-09-12 08:29:26	Incoming	Lisa Mills	My response... I have no idea what is going on. The call from Matt was a complete surprise to me. I am VERY unsure where I stand.
Lisa Mills	2022-09-12 08:30:14	Incoming	Lisa Mills	Just to be clear...no date was discussed.
Lisa Mills	2022-09-12 08:39:24	Incoming	Lisa Mills	From D.... I am appalled as to how this all came down. I was also very surprised by the message this morning. I am sending Matt L. Leslie's updated job description per his request.

Lisa Mills	2022-09-12 09:28:25	Incoming	Lisa Mills	I am going to leave things alone and see what happens next. They have to realize they messed this up? Jeff might have made this look like an issue caused by me going to you in the beginning but by handling it this way, it has to make him not look great. I have a good record, no reason to push me out...at least from what I know????
Lisa Mills	2022-09-12 09:28:58	Outgoing		I think you're smart to let it be for the time being.
Lisa Mills	2022-09-12 09:30:24	Outgoing		And I'm still not clear on what it is you are I have done in relation to the claim that I was giving direction that undermined his authority. If that is what he thought was happening, why did he never say anything to me? I talk to him on nearly a daily basis. We have time blocked out once a week to talk about all outlying issues. He's never said a word. So that's on him.
Lisa Mills	2022-09-12 09:31:24	Incoming	Lisa Mills	And has never given me direction or correction about this issue or anything else.
Lisa Mills	2022-09-12 12:06:09	Incoming	Lisa Mills	Just finished with Brenda...she is meeting with Matt tomorrow afternoon.
Lisa Mills	2022-09-12 12:34:26	Outgoing		How did your discussion with her go?
Lisa Mills	2022-09-12 12:36:39	Incoming	Lisa Mills	Hopeful. She says she thinks we can figure it out so that I can continue to do the work I have been doing. She said she will be working on a new job description for my review.
Lisa Mills	2022-09-12 12:37:44	Incoming	Lisa Mills	She agrees that it was not handled well by Jeff and D
Lisa Mills	2022-09-12 12:38:03	Outgoing		Good.
Lisa Mills	2022-09-13 11:27:54	Outgoing		When we had that zoom call with Dr. G about the psych services back in June, do you remember who from Mesa County was on that call? I invited both JEFF and Dianna and Dan Weller, but I can't remember any of them attending.

Lisa Mills	2022-09-13 11:28:38	Outgoing		I didn't mean to capitalize Jeff. I use 'talk to text' and for some reason it always does that with his name unless I change it.
Lisa Mills	2022-09-13 11:28:42	Incoming	Lisa Mills	Jeff attended briefly then left the call. Jill was there
Lisa Mills	2022-09-13 11:29:01	Outgoing		Thanks.
Lisa Mills	2022-09-13 11:30:29	Outgoing		Can you think of any other examples where we had a project land in our lap, like the psych contract, and I invited Jeff and/or Dianna to join the conversation and they declined?
Lisa Mills	2022-09-13 11:32:07	Incoming	Lisa Mills	Ugh, there have been many. At one point he said, why do I need to be there if you are there. They don't need two people from public health.
Lisa Mills	2022-09-13 11:32:20	Outgoing		We had several discussions with CCMC and about better ways to track people coming out of the jail and making sure they're on benefits, and we wanted to tie that to GVC. I specifically remember that one that Jeff said he wouldn't make it, he asked Dianna to attend, and she didn't.
Lisa Mills	2022-09-13 11:33:53	Outgoing		And his comment makes my point. When opportunities arise I jump on them, and you and I are cut from the same cloth. And you've been able to put together the foundations of an excellent system as a result. But they can't say I'm "giving direction" and excluding them, when I invite them and they don't show.
Lisa Mills	2022-09-13 11:35:35	Incoming	Lisa Mills	Absolutely! AND I update Diana in our 1:1 and she doesn't ask to be included in meetings. She has been told about all projects I have been involved in.

Lisa Mills	2022-09-13 11:38:31	Outgoing		It really is no difference than Tina saying the dominion machines change the votes. There is absolutely no evidence, it is a bold face lie, but it's put out there and some people believe it. That's exactly what happened when Jeff made the comments he did.
Lisa Mills	2022-09-13 11:39:15	Incoming	Lisa Mills	Are you getting blow back about this?
Lisa Mills	2022-09-13 11:41:59	Outgoing		I'm probably internalizing it more than others. It was a very clever statement for him to make, because if I speak up about how the MAC should be organized, then it feeds the narrative that I'm giving all the direction. And it's his word against mine. But I've got enough examples to show that while I might jump on something and move more quickly than some are comfortable with, I have never cut them out or not given him opportunity to ask me to slow down or to even run stuff through him before going to you. He's clearly pretty comfortable just bold face lying and not worrying if he doesn't have proof.
Lisa Mills	2022-09-13 11:42:07	Incoming	Lisa Mills	Boy, for someone who supposedly wants to do good work in the community, why wouldn't he just say..."it isn't a good fit at PH" ? It didn't have to be this ugly.
Lisa Mills	2022-09-13 11:42:53	Outgoing		It did not have to be this ugly. But looking back in the past, it appears to be his MO.
Lisa Mills	2022-09-13 11:43:37	Incoming	Lisa Mills	I hope others can see that too. Sounds like Brenda was aware of this pattern.

Lisa Mills	2022-09-23 16:37:10	Incoming	Lisa Mills	The HUB should own Connexa and Grand Valley should be a user...just like the MAC agencies. I should have FULL access to see all data and make adjustments as needed.

Lisa Mills	2022-09-29 11:22:50	Outgoing		<p>Here's the backstory on Roxanne's contract. She's been helping with the new market tax credits for the building in Clifton. Apparently it was her idea to try these new market tax credits.</p> <p>She had been on one of the zoom calls about the new market tax credits, and afterwards Cody asked Who she was? I explained that Jeff was contracting with her with to help with his early child care 8000 initiative and apparently was her idea for these new market tax credits.</p> <p>He asked what she was getting paid and with the terms of her contract were. Nobody knew so Pete said he would check.</p> <p>You better be sitting down for this.</p> <p>He checked with Finance and Jeff has been paying her a monthly retainer of \$10,000 since 2018. She has been paid \$481,000, with no RFP, no contract no deliverables.</p>

Lisa Mills	2022-09-29 11:25:02	Outgoing		<p>Thinking it was possible Jeff did some thing on his own without us our finance Director asked him if there was an RFP or a contract. He said no.</p> <p>Pete later met with him and asked the same thing, Jeff again said no.</p> <p>Todd Hollenbeck also asked him and he also told him no.</p> <p>Once he realized we were going to have a meeting with his board, he suddenly found some agreements between him and Roxanne. The first one was for nine months and \$90,000 and it was funded by a grant. There were a lot of details in that particular agreement related to deliverables, but still no bid and still no formal contract. Anything over \$50,000 has to be approved by the BOCC.</p> <p>He also provided other agreements for One year extensions, each for \$120,000.</p> <p>But again no RFP and no formal contract.</p>
Lisa Mills	2022-09-29 11:26:25	Incoming	Lisa Mills	And did she abide by the deliverables?
Lisa Mills	2022-09-29 11:26:31	Outgoing		<p>What I found interesting is instead of emailing them to Pete he routed hardcopies through inner office mail.</p> <p>Had he sent us electronic copies we could've easily looked at the properties to see when those documents were created.</p> <p>I believe they were created in the last week.</p>

Lisa Mills	2022-09-29 11:28:30	Outgoing		<p>For the deliverables it's very subjective. I don't see that she does much of anything. Certainly not recently to be earning \$10,000 a month. The goal back in 2018 was to go from 2500 childcare slots to 8000 childcare slots. I think within 10 years. At this point I don't believe any have been added. I think if you have shut down. We're adding 177 slots to the county because Mesa County is building a daycare. Nothing that she has done.</p> <p>We are building a training center for childcare providers, but that's some thing that County is doing not Roxanne.</p> <p>I do think some quality childcare of improvements may have been made, but again I think most of them are made by Jeff's staff.</p>
Lisa Mills	2022-09-29 11:28:54	Outgoing		<p>The last one year agreement he was able to pull together shows the contract ends in November. And it sounds like he's not planning to renew. Duh.</p>

Lisa Mills	2022-09-29 11:33:03	Outgoing		And I will say it is a bit confusing as to what our role is versus their role versus Jeff's role. So in addition to the forensic audit we are drafting new bylaws, and going to update the MOU between the BOCC and the BOH.
Lisa Mills	2022-09-29 11:33:29	Outgoing		Jeff is a very likable, affable guy. And he's very strategic about developing good relationships with important people. Relationships that feel like friendships, but really aren't. And so everyone just trusted him.
Lisa Mills	2022-09-29 11:34:30	Outgoing		And it really goes to the common issue with boards. What is their role versus the CEOs role? You don't want a board getting into the weeds, but she want to board who is ensuring things are on the up and up. It's trust but verify. But Jeff has been a master of that only him picking his board members but really managing them.
Lisa Mills	2022-09-29 11:36:47	Incoming	Lisa Mills	I have said that all along...he comes across humble "short fat man who doesn't know everything so I surround myself with smart people" (his words) and that makes you trust him. Lisa Mills	2022-10-10 12:59:19	Outgoing		Ugh. I had no idea. Oh my.
Lisa Mills	2022-10-10 13:01:39	Incoming	Lisa Mills	I have emailed John about the Steering Committee and possibility of him giving an update...I haven't heard a word. I wonder if Jeff got to him? Has he spoken to you?
Lisa Mills	2022-10-10 13:04:19	Outgoing		I haven't heard from him since our health leadership consortium meeting...which is after the deal with Jeff. I'll reach out to him too. Let me know if you hear from him.
Lisa Mills	2022-10-21 18:29:23	Outgoing		<p>I laughed at the end of your voicemail when you told me to have a good weekend. As if that's possible after your latest news.</p> <p>I am almost without words. Is he that incompetent to do these things? Or is he just sloppy and doesn't care?</p> <p>I didn't even realize there was a matching requirements. I've learned a lesson that I need to read every grant fully and not just trust that it's done right.</p> <p>I think we can easily match it with Saint Mary's funding and the sheriffs funding. And I would assume the state won't care as long as there is a match. Do we have to report back to the state how we spent the money and how it was matched?</p>

Lisa Mills	2022-10-21 18:40:32	Incoming	Lisa Mills	I felt like I was hit by a truck after Barb's meeting...I didn't ask enough questions and blindly trusted Pat and Jeff. What would have happened when we were audited??? He would have hung me out? I wonder if he is really that arrogant or stupid OR could he have made it come back on you in some way...this was your baby. It just feels so ugly!
Lisa Mills	2022-10-21 18:43:03	Outgoing		Looking at some of the preliminary results of the audit, it's clear he has been playing fast and loose for a long time. I sort of think he's gotten lazy. And when you get by with things for years, you start to think you're invincible and nobody will ever catch you. So in his mind the simplest thing was just to say match it with the marijuana dollars because he didn't think he'd ever be audited. I don't know if he's ever been audited for anything.
Lisa Mills	2022-10-21 18:43:52	Outgoing		I would bet that Mary, Diana and Pat are actively looking for other jobs. And I am certain that Jeff is.
Lisa Mills	2022-10-21 18:45:22	Incoming	Lisa Mills	God is good...so glad I got out AND we found out about this contract stuff before we couldn't fix it.

Lisa Mills	2022-10-22 07:26:01	Incoming	Lisa Mills	Little side note...with everything that happened/happening at PH. My daughter was working as the one underage Tobacco Compliance member and worked one weekend (with a paycheck). This program is under Pat. We had a little issue getting her permit ID but Michael was very eager to use her...he called multiple times. Now that I have left, I have reached out and he has not scheduled her again. Ridiculous if Pat has stopped this.
Lisa Mills	2022-10-22 07:36:10	Outgoing		That pisses me off. They are so childish. Jeff is acting like a spoiled adolescent who didn't get his way. He's trying to show he's in control. I'm sorry you got caught up in the middle of all this.
Lisa Mills	2022-10-22 07:41:25	Incoming	Lisa Mills	No, it is fine. I just can not believe how ridiculous this has all become. The Connexa conversations are just so beyond comprehension...
Lisa Mills	2022-10-22 07:45:16	Outgoing		<p>Since they aren't really doing grand Valley connects as it was built to do, would it matter if we cut them out. Do you think they're going to be adding that much more information that you won't already have? They're not even focused on mental health, just basic needs.</p> <p>Could our IT department just replicate it and let it be all yours. Since we're going to have to create a mental health navigation hub to replace what they are not doing, should we just move on and let you create everything and ignore them. I can't imagine they're going to be adding information to Connexa that will be that valuable to you.</p> <p>Maybe I'm wrong?</p>

Lisa Mills	2022-10-22 07:52:04	Incoming	Lisa Mills	<p>I guess it depends...they only have Connexa to use when they work with ANY community members and the bulk of Connexa is the live Resourcing list that Leslie created and actively maintained. We could separate but then the Resource list would be maintained by us and them which means duplication of community emails. One of the brilliant things Gary built was a way for Leslie to just email a link everyone on the resource list every quarter or whatever we decided to do and they could directly update their services, contacts and eventually we were going to add their referral forms. If we separate, this would come from GVC and the MH Hub. The live resource list is so valuable and we use it on MAC and we're hoping the other agencies the will have access to Connexa would have access too...Riverside, Lighthouse, DHS, pretrial....</p>
Lisa Mills	2022-10-22 07:54:07	Outgoing		<p>So if it's 100% under IT, any updates they do you would see and any updates you do they would see. Is that right?</p> <p>We would just need to have an agreement for who is going to update it quarterly and send out the community emails. Is that correct?</p>
Lisa Mills	2022-10-22 07:55:17	Outgoing		<p>It's so funny. Jeff is trying to convince people that I have a grudge against him and that's why I am "coming after him".</p> <p>In reality, he is the one with the grudge.</p>

Lisa Mills	2022-10-22 07:57:33	Incoming	Lisa Mills	Correct! I think they continue to have access. If they find a new resource they can send the link for the new resource to be added to Connexa but Leslie should continue to manage the list quarterly and watch for incorrect information. We have not started pulling reports much yet but when Gary did for the NACO project, Leslie saw there were missing resources by category but did not have access to look at the list to make correction.
Lisa Mills	2022-11-01 17:08:01	Outgoing		Does anyone from the health dept have access to view your calendar?
Lisa Mills	2022-11-01 17:09:17	Incoming	Lisa Mills	Leslie and I took everyone off but the kids didn't and Dan. They can see we are busy but nothing else.
Lisa Mills	2022-11-01 17:09:36	Incoming	Lisa Mills	That was supposed to say you and Dan
